Commitment ceremonies (including same sex)  
Renewal of vows

“ You can give without loving but you cannot love without giving. ”  
Victor Hugo, *Les Miserables*

Whether you are making a commitment to each other for the first time or renewing your vows, it is an event full of significance, emotion and meaning.

My role as your celebrant is to help you to manifest your ideas and wishes into reality. Your ceremony can be as formal and sacred, or as casual and fun as you and your partner would like it to be.

On the day, I will coordinate and deliver your ceremony in a poised and professional manner. This allows you both to focus on experiencing the moment and treasuring your special day.

## I am committed to providing...

- Assistance with poetry, readings and sample ceremonies
- Attention to ensure that the necessary legal aspects of your marriage are completed in a professional and timely manner
- A rehearsal at an appropriate venue
- A sensitive caring approach and I will listen to your family's unique needs and adapt the service to ensure these are recognised, honoured and addressed
- A state of the art PA system which can be used at any venue including parks and beaches. The CD and cassette allow you to play music of your choice as well as record the ceremony for absent friends and family.

## What others have said...

“

*We knew nothing about what was required in a wedding service... I had confidence that Sherryl would take care of all the legalities which she did. It was very reassuring.*

*Shay, Bulimba*

*When we renewed our vows, I was determined it would be different from our wedding. I was very unimpressed with the celebrant who originally married us. She gave us minimal guidance and on the day, she did not speak well and did not have a PA system. As a result, many of our guests did not hear the ceremony. Sherryl has an excellent PA system and what a difference it made. I have no hesitation in recommending her.* ”
